

Utah Credit Unions: The Real Story

Tax-paying Utah banks compete head to head with tax-exempt credit unions. Although they portray themselves as mom and pop shops for people of modest means, today credit unions are a \$2.2 trillion industry, with many indistinguishable from banks. The BIG difference—they don't pay federal income taxes, depriving the U.S. Treasury of nearly \$3.1 billion every year.

Who Pays the Taxes?

Taxes Paid in 2022

UT Credit Unions

\$0

UT Banks*

\$6,511,113,000

*Includes all applicable federal, state and local, and foreign income taxes

America First Federal Credit Union would have paid **\$45.2 million in taxes** during 2022, had it paid its fair share.

Indistinguishable from Banks

Wasatch Peaks Federal Credit Union used its tax advantage to **aggressively expand** its business lending at an annual rate of **31%** since 2012.

Larger than Most Utah Banks

America First Federal Credit Union, with **\$17.4 billion in assets**, is the largest credit union in Utah, **larger than 84%** of all Utah-headquartered banks.

Utah Credit Unions Leverage Their Tax Exemption to Grow Deposits

Utah credit unions grew deposits at an annualized rate of **11.9%** since 2012.

Large Credit Union Lending

Six of the top eight auto lenders in Utah are credit unions.
