**Trustwave's Managed Security Services Receive Five-Star Rating by *SC Magazine***  
*Trustwave Also "Recommended" for Fraud Prevention Services*

**CHICAGO (September 30, 2009)** – Trustwave, the leading provider of on-demand data security and payment card industry compliance management solutions to businesses and organizations throughout the world, was the only fraud prevention service provider ranked “Recommended” by *SC Magazine* in a recent group evaluation.

*SC Magazine's* September issue Group Test focused on “Fraud Prevention.” Each company tested had to deliver a security service as a managed or hosted offering, as well as provide a turnkey approach for its customers primary technical security needs. Eight providers were tested for this section and Trustwave was the only organization “Recommended” by *SC Magazine* for its complete fraud prevention services, which include:

- **Unified Threat Management:** Includes firewall, inline intrusion prevention, gateway anti-virus, virtual private network, web content filtering and remote access control.
- **Intrusion Detection Services:** Monitors network and application-layer traffic to identify malicious activity.
- **Network Access Control:** Access control to a network through the use of pre-admission policies and post admission controls.
- **mailMAX:** E-mail security solution combining anti-virus, anti-spam, anti-phishing and content filtering.

*SC Magazine* said, “Trustwave’s end-to-end managed security services are a great offering for security and compliance management.” The magazine’s overall rating for Trustwave’s Fraud Prevention services was five stars out of five.

“We are very excited and honored to be ‘Recommended’ by *SC Magazine*, a leading voice in the IT security space,” says Robert J. McCullen, chairman and CEO of Trustwave. “Our goal is to continue providing our customers with a security infrastructure that helps deter malicious attacks to prevent fraud.”

“This ‘Recommended’ rating is continued affirmation that we made the right decision when we chose to work with Trustwave,” says David Howlett of Rafferty’s, an employee-owned company with locations in the Southeast United States. “They have always provided us with excellent service and support and are the ideal solution for our organization.”
