

ABA Fraud Contact Directory

How to Add Contacts

Step 1:

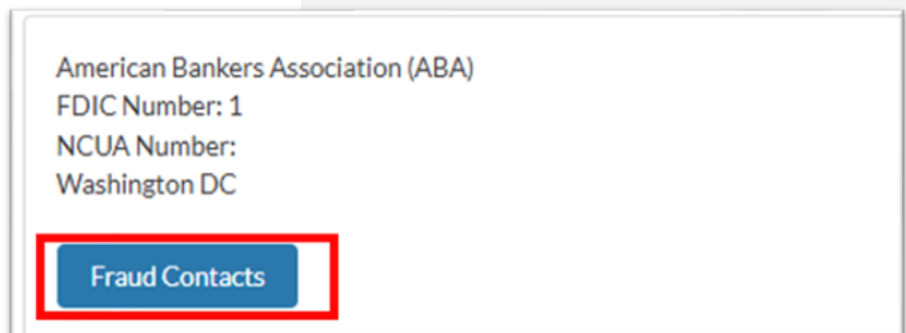

Click **“Manage Fraud Contacts.”**

Step 2:

This page displays all the banks/credit unions you manage.

Select **“Fraud Contacts”** under the bank/credit union you would like to add contacts for.

Step 3:

Select **“Add Fraud Contacts”**

Note: If you are adding fraud contacts, you agree you have authorization to share the contact’s information.

The screenshot shows a web interface with a table of fraud contacts. The 'Add Fraud Contacts' button is highlighted with a red rectangle. The table contains two entries for 'American Bankers Association (ABA)'.

| Action | Bank Name | FDC Number | Type of Contact | Name of Contact | Active | Phone | Email | Additional Information |
|--------|------------------------------------|------------|-----------------|--------------------|--------------------------|------------|---------------|--|
| | American Bankers Association (ABA) | 1 | ACH Contact | Test Fraud Contact | <input type="checkbox"/> | 1234567890 | test@aba.com | additional information can include mailing address, phone extensions, fax numbers, or any other necessary information. |
| | American Bankers Association (ABA) | 1 | Fedwire | Fedwire Test | <input type="checkbox"/> | 1111111111 | mail@mail.com | test for multiple lines second line |

Step 4:

Add the contact’s information.

Any fax numbers or mailing addresses should be included in additional information.

Be sure to save — the information will be posted automatically

The screenshot shows the 'Edit Record' form with a red border. The form contains fields for Bank Name, FDC Number, Type of Contact, Name of Contact, Active status, Phone, Email, and Additional Information.

| Edit Record | |
